D1390 Autumn camp for IB-students 23-24. September 2011 (Friday – Saturday) Pajulahti Sports Center, Nastola

Dear Exchange student in Rotary District 1390

You're welcome to participate the weekend camp of our district which is a part of your exchange program. The camp is an opportunity to meet the other students in our district you learned to know in Karkku. You will also meet the ones who came to Finland last January/this August. Rotex is mainly running the show and arranging you a special program in a Finnish way. We will spend time outdoors playing some games, sitting by campfire etc. You should take proper clothing with you, the evenings in September are quite chilly already. Be also prepared for rainy weather. There is a sauna by the lake, so take your swimsuit too. Towels and sheets are given by the accommodation.

The camp starts on Friday the 23th September at 16:00

The camp ends on Saturday the 24th September at 15:00.

Pajulahti is situated in Nastola, about 20 km east of Lahti. Therefore there is a transport arranged for you from Lahti to Pajulahti. Here's the schedule for the Pajulahti transportation,

15:00 Departure Lahti Busstation

15:15 Departure Lahti Railway station

15:40 Arrival Pajulahti

If you miss the transportation, you are expected to come to Pajulahti by taxi and pay the ride by yourself. In case of delay of the bus or train, the transportation will wait – of course.

The club counselors of our district will have a meeting in Pajulahti on Saturday the 24th September. Their meeting ends the same time as our camp. You should ask your counselor for a lift from Pajulahti back home. If your counselor is not participating the meeting, please ask him/her to arrange your travel back with some other club counselor.

The cost for accommodation and meals will be 100 EUR which your club is expected to pay. I will send instructions to clubs how to do the payment. Please check that this is taken care of!

I will see you all in Pajulahti on 23th September. Before that please reply to me via e-mail and let me know

1. What is your mobile number?
2. When you arrive to Lahti and which transportation you are using bus or train (number + arrival time)?
3. In case you get a lift to Lahti or directly to Pajulahti, I need to know that too?
4. Also what is your plan for home trip on Saturday?

You're expected to reply to me your answer in all four questions **latest on Sunday 18th of September, but sooner the better**. My email is: mikko(at)horkko.fi

Hope to hear from you soon,

Mikko Hörkkö
